FAMILY AT-HOME MISSION ACTIVITY

Your Family At-Home Mission is to watch the videos and accomplish your plans to serve one another that you discussed after reading the story of *Jesus Washing the Disciples Feet*. Be ready to share your *Serving One Another Experience* at the Week 3 gathering.

Step 1: Watch the videos below that highlight the two important events that happened at the Lord's Supper, the institution of the Holy Eucharist and the institution of the priesthood.

The Catholic bishops of the United States have called the Church to a Eucharistic Revival, a special time to renew our love of and devotion to Jesus our Eucharistic Lord and to follow Him more ardently and share Him with others. As a family, consider ways to pray for and live this Revival in and through your homes and relationships. To learn more, go to archatl.com/revival and eucharisticrevival.org.
